

Nordbo Robotics A/S – Cookie Policy

1. What are cookies and how does Nordbo Robotics use them?

- 1.1 A cookie is a small piece of information that will be stored on your hard disk until you delete it. Like most websites and applications, we use our own cookies and those of third parties, together with similar technologies, to make our websites and applications work, to offer you customized and personalized service, and to learn more about our users and their likely interests.
- 1.2 You can set your browser to refuse all or some browser cookies, or to alert you when websites set or access cookies. In case you disable or refuse cookies on your browser, please note that some parts of this website may become inaccessible or not function properly.
- 1.3 Nordbo Robotics and third-party vendors including Google and Facebook use first-party and third-party cookies and related user behavior tracking technologies to measure desktop software, mobile application and website usage; record different user activities in its software and on its web sites; and display advertisements based on the user's previously recorded activities. Nordbo Robotics does not disclose any personally identifiable information to these third-party vendors. However, third-party vendors automatically receive IP addresses when activity tracking occurs. Nordbo Robotics may connect user activity data gathered by third-party vendors with information collected by its websites and applications and such data may therefore become Profile or Usage Data.
- 1.4 Through browser preferences, it is also possible to delete Cookies installed in the past, including the Cookies that may have saved the initial consent for the installation of Cookies by this website.

You can find further information about how to manage Cookies in the most commonly used browsers at the browsers individual cookie guidelines: Google Chrome, Mozilla Firefox, Apple Safari and Microsoft Internet Explorer.

With regard to Cookies installed by third parties, you can manage your preferences and withdrawal of your consent by clicking the related opt-out link (if provided), by using the means provided in the third party's privacy policy, or by contacting the third party.

2. Cookies we use on our website, legal basis

In particular, our website uses the following categories of cookies:

2.1 Strictly necessary cookies

Strictly necessary cookies are essential for the website to function and these cookies cannot be switched off in our systems. They are usually only set in response to actions made by you, for example, setting your privacy preferences, logging in or filling in forms. You can set your browser to block or alert you about these cookies, but some parts of the site may not work then.

2.2 Performance, functional and targeting cookies

These cookies allow us to count visits and traffic sources, so we are able to measure and improve the performance of our site. These cookies help us understand which pages are the most and least popular and see how visitors use our site. All information these cookies collect is aggregated and therefore anonymous. If you do not allow these cookies, we will not know when you have visited our site.

2.3 Functional cookies

These cookies allow the provision of enhance functionality and personalization, such as videos and live charts. They may be set by us or by third party providers whose services we have added to our page. If you do not allow these cookies, then some or all of these functionalities may not function properly.

2.4 Targeting cookies

These cookies are set through our site by our advertising partners. These cookies can be used by our advertising partners to build a profile of your interests, and to show you relevant ads on other sites. They work by uniquely identifying your browser and device. If you do not allow these cookies, you will not experience our targeted advertising across different websites.

You have the right to withdraw your consent at any time. The withdrawal of consent does not affect the lawfulness of processing based on consent before its withdrawal.

All above-mentioned types of cookies that Nordbo Robotics use are compliant with GDPR art. 6 and the ePrivacy Directive.

3. Your privacy related rights

For detailed information, please refer to our Privacy Policy.

4. Owner and Data controller

Nordbo Robotics A/S, Agerhatten 27A, 5220 Odense SØ, Denmark

Owner contact email: info@nordbo-robotics.com

Since the installation of third-party Cookies and other tracking systems through the services used within this Website cannot be technically controlled by the Owner. Any specific references to cookies and tracking systems installed by third parties are considered instructive. In order to obtain complete information, you are welcome to consult the privacy policy for the respective third-party services listed in this document.

Given the objective complexity surrounding the identification of technologies based on cookies, you are encouraged to contact Nordbo Robotics if you wish to receive any further information on the use of cookies by this site.

5. Complaint

- 5.1 Without prejudice to any administrative or judicial remedy that you may have (such as the right to claim compensation for damages suffered as a result of Nordbo Robotics breach of the GDPR), you have the right to lodge a complaint with the Danish Data Protection Agency (Datatilsynet), or another data protection supervisory authority in the Member State of your habitual residence, place of work or place of the alleged breach if you consider that the processing of personal data relating to you violates the GDPR.

- 5.2 In any case hereof, we would highly appreciate the chance to deal with your concerns before you approach the regulatory authority above, so please contact us in the first instance if you have any problems or questions.

6. Changes to this privacy policy?

- 6.1 We reserve the right to make all necessary changes to our cookie policy without further notice. We urge you to check our website on at continuously basis for any updates on the matter.

This cookie policy is current as from 1. May. 2020.
